Skills

Summary

Full-stack web developer leveraging Mechanical Engineering background to build a more intuitive user experience on the web. Recently earned a certificate in full-stack web development from the University of Toronto, with newly developed skills in JavaScript, CSS, React.js, and responsive web design. Known as an innovative problem solver passionate about developing apps, with a focus on the MERN technology stack. I'm excited to leverage my skills as part of a fast-paced, quality-driven team to build better experiences on the web.
